

INCELL International creates a Smart and Sustainable Future by providing safe and sustainable lithium power backup solutions to the global telecom market. Incell is a leader in developing advanced lithium batteries for telecom sites' backup power. With headquarters and R&D in Sweden, manufacturing in Mexico, sales office in US and global sales channels Incell services telecom customers all around the world

Incell is expanding and looking for a **Chief Accountant**

Incell was founded in 2015 and is a fast-growing company that develops, manufactures and sells lithium batteries for the telecom market. We are now looking for a Chief Accountant to our head office in Kista, who wants to be a part of our journey towards becoming the world leading supplier of smart and sustainable lithium battery solutions.

We are looking for a structured and ambitious person to strengthen our financial organization. As our Chief Accountant you will be responsible for Group Accounting and also operationally for accounting in Sweden, including managing our small accounting team. Your responsibilities include monthly, quarterly and annual closing and consolidation for the Group. You will also work with annual report for both our Swedish company and Group. Taxes, cash management and responsible for ERP is other tasks within the position. This position is new and you will report to our CFO.

Who are you?

- Minimum five years of experience in similar positions, both on operational and Group level
- Strong background in accounting and knowledge of IFRS is required
- University degree in relevant field
- If you have experience in working with ERP improvements it would be an advantage
- Fluent in English and experience from an international environment, preferably a manufacturing company
- Good communications- and leadership skills is required among with experience to manage a team
- Excited to be a part of a fast growing international company
- Analytical with good organization skills but at the same time flexible
